RIGIN 25X1X6

1. The black market frame, which has been dropping steadily for two weeks, reached an extreme low on 1 November following de Gaulle's statement to the press on the constitution and the elections. On 1 November the dollar bill brought 328 frames, travellers checks 300 frames, and army script 260 frames on the black market.

2. The black bourse is now flooded with dollars and the rates on 7 November were:

dollar bill - 300 francs (circa) travellers checks - 275 francs (circa) Rnglish Pound - 800 francs (circa) Swiss Franc - 110 francs (circa)

document to hereby regraded to CONTIDE THAT In accordance with the local to the poter of to the United Contidents of the
